

## Zenergy Master Class – Tauranga 19–22 October 2023

The Master Class is a programme for experienced group facilitators, which focuses on developing leading edge skills in facilitation. Specific aspects of facilitation chosen by the class participants, are studied in-depth towards attaining mastery. [Dr Stephen Thorpe](#) and [Dr Dan Ducker](#), work alongside each participant coaching them as they facilitate the group. Dale has led 30 Master Classes with facilitators working in many countries around the world.

Aspects of facilitation chosen by participants may include:

Expanded group consciousness  
Presence and presencing  
Theory U dialogue  
Appreciative Inquiry  
Collective intelligence  
Facilitated storytelling  
Creative expression -  
drawing, painting and movement  
Self Organising Networks and Groups  
(SONG's)

Generating social change towards a  
sustainable world

## Comments from participants

*"It's been one of the most exciting, challenging, transformational journeys I've ever been on."*  
Greg Menendez ([BrandEcology](#))

*"What I found valuable was the honouring and respect; the deeper unspoken work of a facilitator; being challenged respectfully and the aroha."*  
Gena Moses

*"What I found valuable was the energy of the group and access to the expanded consciousness; commitment of individuals; diversity of culture and expression; music, dance, play; speed, velocity, rhythm."*  
Hadyn Olsen ([www.wave.org.nz](http://www.wave.org.nz))

*"What I found valuable was the diversity of the participants...the space that was made available to explore the learnings."*  
Helen Dawn

*"Being able to cement my leading edge and to live in it and know that I can claim and own the greatness of me."*  
Patricia Dyer
